ABHISHEK TRIPATHI

Techno-Commercial Graduate Trainee | Business Development & Technology Solutions

Prayagraj, UP (Open to Relocate to Gurugram) +91 9595347836 at180887@gmail.com LinkedIn Live Portfolio

PROFESSIONAL SUMMARY

Result-driven **B.Tech Computer Science graduate** with an exceptional blend of **technical acumen, institutional outreach, and client-facing communication skills**. Proven track record in requirement gathering, delivering high-impact product presentations, and coordinating cross-functional software initiatives. Adept at bridging the gap between business objectives and technology solutions through structured outreach, CRM lead tracking, and analytical reporting. Seeking to accelerate corporate growth at **CountryEdu** as a Business Development Manager / Graduate Trainee.

CORE COMPETENCIES & SKILLS

Business Development & Outreach: Institutional Sales & Outreach, Client Acquisition, Stakeholder Engagement, Lead Qualification & Pipeline Tracking, B2B Relationship Building, Cold Calling & Email Outreach.

Pre-Sales & Solution Delivery: Client Requirement Analysis, Technical Solution Mapping, Product Demos & Presentations, Project Documentation, Proposal & Report Preparation, Commercial Pitching.

Project & Operations Coordination: Cross-Functional Alignment, Sprint & Milestone Tracking, Campaign Monitoring, Campus Drive & Recruitment Coordination, Performance Reporting.

Technical Acumen & Tools: Web Applications (JavaScript, React.js, HTML5/CSS3), Python Analytics, RESTful APIs, SQL/MySQL Database Reporting, Microsoft Excel / PPT, Google Workspace, Postman, Git.

PROFESSIONAL EXPERIENCE & INTERNSHIPS

Software Engineering Intern – Python & Systems | Techpile Technology Pvt. Ltd. *May 2026 – Jul 2026 | Offline*

- **Client & Requirement Analysis:** Collaborated with team leads and client stakeholders to gather operational requirements and translate complex business needs into streamlined technical workflows.
- **Performance Dashboards:** Designed automated data-processing utilities and interactive KPI tracking dashboards, cutting down manual reporting time by **30%** for internal decision-makers.
- **Stakeholder Presentation:** Prepared weekly project progress reports, technical documentation, and demonstrated working module demos to cross-functional teams and management.

Frontend Web Solutions Intern | IBM PBEL Program *Jul 2025 – Aug 2025 | Remote*

- **Product Delivery & Testing:** Developed responsive web modules using JavaScript; tested asynchronous REST APIs to ensure high system reliability and smooth user experience.
- **Cross-Team Coordination:** Participated in daily standups and agile reviews, ensuring 100% adherence to project delivery timelines and specifications; earned a **merit performance stipend**.

Technical Project Trainee & Coordinator | United Institute of Technology *Jul 2024 – Aug 2024 | Prayagraj, UP*

- **Campus & Event Engagement:** Assisted faculty coordinators in organizing departmental technical sessions and workshops, coordinating logistics, participant registrations, and communications.
- **Technical Problem Solving:** Spearheaded architectural modularization for team academic systems, mentoring junior peers in Object-Oriented paradigms and debugging best practices.

KEY PROJECTS & TECHNO-COMMERCIAL SOLUTIONS

Student Learning & Quiz Assessment Portal (React.js, Node.js, Express, MySQL, REST APIs) *2026*

- Conceptualized and built an institutional EdTech platform with real-time test evaluation and automated performance tracking.
- Conducted user-need evaluation across 100+ students, aligning course delivery modules with actual learner engagement patterns.

Commercial E-Commerce Platform & Order Management System (React.js, Express, MySQL) *2026*

- Architected an end-to-end multi-category marketplace featuring secure JWT authentication, cart persistence, and 12+ API endpoints.
- Engineered dynamic filtering and analytics features designed to maximize user session retention and reduce funnel abandonment.

EDUCATION

United Institute of Technology, Prayagraj, India – B.Tech in Computer Science & Engineering ***Batch 2023 – 2027*** | *CGPA: 6.8 / 10.0*

Chitrakoot Inter College, Karwi, Chitrakoot – Intermediate (Class XII, PCM Science Stream) *Completed*

INSTITUTIONAL LEADERSHIP & EXTRACURRICULARS

- **Campus Drive & Peer Outreach:** Supported student coordination for college placement drives, briefing candidates on eligibility criteria and managing registration documentation.
- **Technical Presentations & Hackathons:** Regularly delivered live demonstrations of software architectures and tech prototypes to panels of professors and external evaluators.
